

TASK 2

Oral interaction

CANDIDATE A

TEST 4

DIRECT DEMOCRACY

In some countries citizens are asked to vote regularly on many issues that affect their lives, instead of only periodically to elect their government representatives. This system has been introduced recently in Madrid.

Share your ideas on the subject with your partner(s). Express and justify your opinions while referring to the following:

- The pros and cons of this type of participation
- What kind of issues should be decided in this way
